

## CSAT QUALIFYING PROGRAM

### **PROGRAM FEATURES**

1. Comprehensive coverage of Quantitative Aptitude, Logical Reasoning, and Reading Comprehension
2. Concept-focused teaching aligned with UPSC CSAT standards and previous year trends.
3. Structured, topic-wise modules for systematic learning
4. Emphasis on accuracy, speed and exam-oriented problem-solving techniques
5. Intensive practice through graded question sets (basic to advanced level)
6. Regular time-bound exercises to simulate real exam conditions
7. Special focus on high-weightage and scoring areas
8. Integration of previous years' questions for pattern familiarity

### **ACADEMIC SUPPORT**

1. Personalized mentorship for continuous performance improvement
2. Regular doubt-clearing sessions and problem-solving discussions
3. Detailed performance analysis after each test
4. Individual feedback on strengths, weaknesses and improvement strategy
5. Structured study plans and revision schedules
6. Access to curated study material, worksheets, and practice modules
7. Guidance on time management and attempt strategy
8. Continuous monitoring to ensure qualifying readiness

### **HOW IT BENEFITS YOU**

1. Builds strong conceptual foundation in aptitude and reasoning
2. Enhances problem-solving speed and accuracy under time constraints
3. Improves comprehension skills for tackling complex passages
4. Develops logical thinking and analytical decision-making ability
5. Reduces exam risk by ensuring consistent qualifying performance
6. Provides clarity on question selection and time allocation strategy
7. Strengthens confidence through regular practice and feedback
8. Enables a disciplined and exam-oriented preparation approach

**Admissions Open | Limited Intake**
