

About the Optional Programme

The Optional Programme by **ABHYAS IAS ACADEMY** is a comprehensive, mentor-driven initiative designed to help aspirants build strong command over their chosen optional subject while aligning preparation strictly with the demands of the UPSC Civil Services Examination.

The Programme focuses on **individual assessment, strategic planning, and score optimization, ensuring that aspirants** move beyond mere syllabus completion to achieve measurable improvement in marks.

Key Features of the Optional Programme

1. One-to-One Evaluation of Preparation Level

Each aspirant undergoes a detailed diagnostic evaluation to assess conceptual clarity, syllabus coverage, and answer-writing proficiency. This personalized assessment forms the foundation of further mentoring.

2. Customized Study Plan Aligned with UPSC Trends

Based on the evaluation, a customized study plan is created for each aspirant, aligned with the UPSC syllabus, PYQs, and recent examination trends, ensuring efficient and focused preparation.

3. Focus on Score Optimization

The Programme emphasizes marks enhancement strategies, including value addition, structuring techniques, and demand-based answers, rather than limiting preparation to content accumulation.

4. Micro-Analysis of Syllabus and PYQs

In-depth micro-analysis of the optional syllabus and PYQs helps aspirants understand topic weightage, recurring themes, and examiner expectations, enabling smart prioritization.

5. Exam-Oriented Notes Making

Aspirants are guided to prepare concise, well-structured, and exam-ready notes, incorporating diagrams, flowcharts, case studies, and keywords for effective answer presentation.

6. Performance Tracking and Doubt-Clearing Sessions

Regular performance reviews, practice questions, and interactive doubt-clearing sessions ensure continuous monitoring and timely course correction.

7. Detailed Feedback on Answers

Every evaluated answer receives constructive feedback on content relevance, structure, presentation, and language, helping aspirants improve consistency and writing quality.

Programme Structure

- **Initial Diagnostic Assessment** to evaluate current preparation level
- **Personalized Study Plan** tailored to the aspirant's strengths, weaknesses, and timeline
